BB&T

This time, we'd like to extend a different kind of credit. Congratulations.

AT BB&T, WE'VE ALWAYS REALIZED there are some investments whose return can't be measured in dollars. Which is why we've always been a proud supporter of education in this community, and in many others across the state. Because no matter how much business is done in a given day, how much money changes hands, we know it's the success of our children that makes a community complete.
